Division Activities & Legislative Update:

Director Michael Wimsatt gave an update on retirements John Regan who is the Administrator of our Hazardous Waste Remediation Bureau will be leaving December 1, 2016. John has worked at DES for over 37 years.

In our Solid Waste Bureau, Don Watson who previously worked at the Winnepesaukee River Basin Waste Water treatment facility has accepted the WMS III Green Yards Position. We are still interviewing for Inspectors and Project managers in our ORCB Division.

The Budget is in a holding pattern. It has been submitted but we are waiting on the new Governor to be seated. The Governors transition team will begin in November.

Our Spill Response section conducted our Fall Boom Deployment and Training at the seacoast. There were over 160 participants. The scenario was that a tanker was grounded by the isles of Shoals. They deployed boom at Rye harbor and Badger Island. Senator Shaheen was in attendance as well as Representatives from Kelly Ayott's and Guinta's office.

PFOAS continue in Merrimack and Amherst. They have sampled over 1200 wells and 200 wells have greater than 70 parts per trillion of PFOAS. We are putting in place an emergency Rules regarding the PFOAs. Gel car is reviewing the rule today. When approved, the rule will become permanent. Saint Gobain is funding water extensions in Manchester & Pennichuck east. Shovels are in the ground and the connections to 375 homes have begun. TCI will fund a water design for 120 homes in Amherst. POU systems are in place for the people who will not get connected until the spring. New detections are being found in some schools.

Tara Albert of the Solid Waste Management Bureau gave an update of the Rule revisions for The Solid Waste Operator Training & Certification Requirements.

Phillip Bilodeau made the motion to send a letter of support for the Solid Waste Rule revisions, Arthur Cunningham seconded. All were in favor.

Keith Dubois gave a presentation of Limited Reuse soils.
